Product Description

Toro SnowMaster 24\" QXE Snow Blower - 36003

- **Power Up** - Optimal performance and years of dependable use with the 252cc Toro premium 4-cycle OHV engine.
 - **Chute Control** - Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick® chute control.
 - **Lightning Fast** - Tear through the roughest snow and ice in record time with Toro's powerful engineered auger. A tall auger housing and beveled chute design throws snow farther.
 - **Keep up the Pace** - You control how fast or slow you go with the Personal Pace® Self-Propel System. The rear-wheel drive system also equips you with the best traction in any snow condition.
-
